6. In the event of Rapture, vehicle will be unmanned.

Life Groups

Please note that this week's Life Groups will be the last, at least on a 'formal level', until September. With Bible Week coming up and the school holiday period fast approaching, things get a little disjointed, to say the least. Should any Life Group want to get together on an ad hoc basis for social events, etc. then please do.

African Evening – 7.00pm, Saturday 17th July

Olive Tree Ministries have organised a spectacular night of music and dance from several African countries, to be held at The Platform, Morecambe. There will also be presentations from Christian charities who work in Africa. The evening will be led by African Christians who live in the north-west. See the poster outside our front door for more details. For tickets (£10 including buffet or £6 for concessions) ring Bill Rushworth on 413077.

Bible Week

Please note that if you want to put camping equipment, etc. in the van, then it needs to be at the King's House no later than Thursday evening, 22nd July. Please put items in the foyer before 8.00pm unless otherwise arranged with Ian. Items must be clearly marked with your name, otherwise they will not be taken.

Anyone who requires transport to Stafford please see Geraldine this morning and anyone who has spare seats in their car please let Geraldine know today. Many thanks.

Although many of us will be away at Bible Week there will be a morning gathering at King's on Sunday 25th July at 10.30, when Ife will minister the Word.

Prayer Chain Meeting

There will be a meeting for all members of the Prayer Chain at 8pm on Monday 19th July at the building. Please make every effort to attend if you are on the team. This is really important as some changes are being proposed concerning the chain.

House Available

House available to let with three bedrooms and a conservatory, in the Vale area of Lancaster (walking distance from town). See Shan Hargest for details.

Thought for the Week:

“If He has spoken, will He not fulfill it? Trust it absolutely.
You have His promise, and in fact, you have even more –
you have Him who confidently speaks the words.

Trust Him!”
J.B. Figgs

...being fully persuaded that God had power
to do what he had promised.
